Minimum Insurance Required:

1. **Commercial General Liability** (CGL): Covering General Liability on an “occurrence” basis, including products-completed operations, personal & advertising injury, with limits no less than $2,000,000 per occurrence. If a general aggregate limit applies, the general aggregate limit shall be twice the required occurrence limit ($4,000,000).

2. **Automobile Liability**: Covering all autos (owned, non-owned and hired automobiles), with limit no less than $1,000,000 per accident for bodily injury and property damage.

3. **Workers’ Compensation** insurance as required by the State of California, with Statutory Limits, and Employer’s Liability (EL) Coverage with and EL limit of no less than $1,000,000 per accident for bodily injury or disease.

Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

*Additional Insured Status*

The Entity (PARTY), its officers, officials, employees, and volunteers are to be covered as insureds on the General Liability policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts or equipment furnished in connection with such work or operations and for the Automobile liability policy with respect to liability arising for automobiles owned, leased, hired or borrowed by or on behalf of the contractor.

*Primary Coverage*

For any claims related to this contract, the insurance coverage provided shall be primary insurance as respects the Entity (PARTY), its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the Entity (PARTY), its officers, officials, employees, or volunteers shall be excess of the Contractor’s insurance and shall not contribute with it.

*Notice of Cancellation*

Each insurance policy required above shall provide that coverage shall not be canceled, except after thirty (30) days’ prior written notice (10 days for non-payment) has been given to the Entity (PARTY).
Waiver of Subrogation
Each Party hereby grants to Entity (PARTY) a waiver of any right to subrogation which any insurer of said Party may acquire against the Entity (PARTY) by virtue of the payment of any loss under such insurance. Each Party agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the Entity has received a waiver of subrogation endorsement from the insurer.

Deductibles and Self-Insured Retentions
Any deductibles or self-insured retentions must be declared to and approved by the Entity (PARTY). The Entity (PARTY) may require the Party to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

Acceptability of Insurers
Insurance is to be placed with insurers with a current A.M. Best’s rating of no less than A:VII, unless otherwise acceptable to the Entity.

Verification of Coverage
Party shall furnish the Entity (PARTY) with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the Entity (PARTY) before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the party’s obligation to provide them. The Entity (PARTY) reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Special Risks or Circumstances
Entity (PARTY) reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
